ALBION FISHERIES LTD MOVES TO NEW HEAD OFFICE, PROCESSING AND DISTRIBUTION CENTER

VANCOUVER, BC – Albion Fisheries Ltd. Western Canada's largest Seafood distributor is excited to announce its successful completion and move to its new State-of-the-Art Seafood Facility in Richmond, BC. This facility replaces the Head office and Vancouver Distribution center previously located at 1077 Great Northern Way, Vancouver.

"Albion Fisheries Vancouver operation worked out of a plant that served us well for the past 28 years." commented John Milobar - President of Albion Fisheries Ltd. "Our new Richmond Facility provides us with a much more efficient design that will allow us to service our customers better while providing the highest level of food safety available. Additionally, this new larger facility presents us with the space to expand our Sustainable seafood offerings to our customer base and reconfirms our commitment to be the premier Seafood supplier for Food Service and Retail in Western Canada by showing leadership and increasing accountability throughout the supply chain."

The New Facility meets the highest standards established by Canadian Food Inspection Agency and has been designed and built with features that reduce Albion's energy and environmental impact.
